BLM Clilverd Ltd is part of the BLM Group a media agency dedicated to delivering premium performance to its clients. BLM Clilverd delivers regional media solutions to a wide range of companies in the south west. When the head office in Mariner House, on Prince Street Bristol city centre, needed to expand and create more space for the Boardroom and Accounts department Integral Interiors and Simon Kohn (Furniture) Ltd were called in.

As the daily operations within the busy BLM Clilverd office could not be disrupted all works were programmed around this and took place out of hours and at weekends. Coupled with fact that all the works were on the 5th floor and there was no external storage facilities, meant that the programming and logistics were extremely critical to the success of the project. All works were undertaken by Integral Interiors, who with the specialist Divisions of Integral, installed all data/communication and IT cabling.
