## JOB DATA SHEET

**Client:** *Davies Arnold Cooper LLP*  
**Project:** *Office Refurbishment & Fit Out*  
**Location:** *Fountain Street, Manchester*  
**Designer:** *DAC / Integral Interiors*

Davies Arnold Cooper is an international law firm particularly known for its dispute resolution and real estate expertise. DAC advise in relation to specialist areas of law including insurance, real estate, construction and product liability. Their well-established office in the North West is situated in the heart of Manchester's business community and has four main practice areas: insurance, construction, real estate and employment law.

Works included demolition of existing walls and partitions, a full air conditioning system, new ceiling, lights, flooring and decorating. Upgrade works to the alarms, kitchen and the air conditioning on the 5th floor were also included in the project. As a typical city centre project access and deliveries had to be carefully managed to ensure no disruption to the other building occupiers and neighbours on the surrounding streets. A full time Project Manager based on site liaised on a daily basis with all building occupiers to ensure no issues of this nature occurred.
