## JOB DATA SHEET

**Client:** Debut Services (SW) Ltd & Babcock Support Services  
**Project:** Accommodation Block Refurbishment  
**Location:** RAF Lyneham, Wiltshire  
**Architect:** Debut Services (SW) Ltd

Debut Services is a joint venture between Bovis Lend Lease and Babcock Infrastructure Services formed to deliver property solutions across the MOD Estate as part of the Prime Contracting initiative. As part of the South West Prime Contract, Integral UK are their main supply chain partner for hard building services. Integral also undertake project work for Debut from small M&E works to large scale fit outs and refurbishments

The works involved a full external elevation refurb including windows, doors, render/concrete repairs and decorating. Internally the works consisted of upgraded electrics, full re-decoration, new flooring and new furniture. The project is another good example of one of Integral UK's specialist divisions adding value to a client, in addition to the maintenance services undertaken by the regional offices.

Integral Interiors, the fit out and refurbishment Division of Integral UK, priced and planned the project which involved a competitive tender to ensure value for money was achieved. Always a key issue on any public sector project. On winning the project Integral Interiors met with the Debut and RAF team to ensure that the works were planned in such a way as to ensure minimal impact on the occupants, many of whom had been serving in the current conflicts of Iraq and Afghanistan.
